NEWS RELEASE

**Amanta Resources Ltd. Enters into Sale and Purchase Agreement
with M Consultant Company Limited**

June 8, 2015, Amanta Resources Ltd. (TSX Venture Exchange: AMH.H) (“Amanta” or the “Company”) is pleased to announce that it has entered into a sale and purchase agreement (“Agreement”) with M Consultant Company Limited (“M Consultant”), a company incorporated under the laws of Lao People’s Democratic Republic.

Pursuant to the Agreement, M Consultant has agreed to purchase Amanta’s rights and interests under the Mineral Prospecting and Exploration Agreement between Amanta and the Government of the Lao PDR and the Joint Exploration Agreement between Amanta and Japan Oil, Gas and Metals National Corporation (“JOGMEC”), pertaining to the Luang Namtha project, in northern Laos (collectively, the “Assets”) (the “Transaction”).

Under the terms of the Joint Exploration Agreement (“JEA”), JOGMEC had a 60-day Right of First Refusal in relation to the Agreement. This Right has expired and the Company and M Consultant now propose to complete the Transaction.

Pursuant to the terms of the Agreement, M Consultant has agreed to pay Amanta an aggregate consideration of US\$2,000,000 (approximately CA\$2,500,000) for the Assets, as follows:

- a) An initial payment of US\$300,000.

Amanta has authorized M Consultant to remit the sum of \$125,000 to the Laos Government in respect of outstanding land rental and other contractual payments under the terms of the Mineral Prospecting and Exploration Agreement, while the balance of \$175,000 will be paid directly to the Company; and

- b) US\$1,700,000 upon completion of the Transaction.

Closing of the Transaction will require the approval of Amanta's shareholders and the TSX Venture Exchange. The transfer of Amanta's rights and interests under the Mineral Prospecting and Exploration Agreement will require the consent of the Lao Government.

Amanta also announces that it plans to hold its Annual General and Special Meeting on July 23, 2015.

ON BEHALF OF THE BOARD OF AMANTA RESOURCES LTD.
